

Artios Academies of Greenville 2018-2019 Course Descriptions

Note: A 3% tuition discount will be given if you choose an automatic payment plan.

Note: Worldview is required for all HS students.

<u>Course Abbr</u>	<u>Course Name</u>	<u>Program</u>	<u>Course Description</u>	<u>Tuition</u>	<u>Grades</u>
Acad1.0	Academy of Arts and History 1.0	Academy	The Artios Academy of Arts and History teaches four core courses (history, theater, art, and music) within its weekly class days. All four courses integrate with each other through historical time period. We teach these subjects in their entirety, which allows students not only to have knowledge of facts but also to have knowledge of the principles and purpose of the subject. All four subjects are taught in a hands-on, creative, and integrative way, all while being taught from a Biblical worldview.	\$ 735.00	K-6

AcadMS	Academy of Arts and History 1.0 MS (Conservatory, Jr.)	Academy/ Conservatory, Jr.	The Academy Jr. High program is a "stair-step" between the exposure-level approach of our Academy Elementary program and our high school Conservatory program. These students are offered more choices and opportunities to both follow their passions and explore new areas of the arts, while still maintaining the Artios philosophies that are crucial to our Academy program. The weekly class rotation for middle school students includes: history, music, and two electives in either art or theater. There is a separate set of electives each semester, resulting in four electives over the course of the year. After you register, you will be contacted individually to select your student's elective choices.	\$ 735.00	7-8
ArtClubEL	Art Club - Elementary	Artios Plus	Students will explore a wide variety of art techniques and mediums while studying with our excellent art instructors.	\$ 360.00	K-5

ArtClubMS	Art Club - MS	Artios Plus	Students will discover and hone their art skills and explore various mediums as they study with our excellent art instructors.	\$ 360.00	6-8
Chor-EL	Chorale - Elementary	Artios Plus	Students will learn a wide variety of repertoire. Basic vocal and choral skills will be taught, and performance techniques learned. They will sing a variety of music and have opportunities to perform throughout the year.	\$ 360.00	K-5
Chor-MS	Chorale - MS	Artios Plus	Students will learn a wide variety of repertoire. Basic vocal and choral skills will be taught, and performance techniques learned. Students will sing a variety of music and have opportunities to perform throughout the year.	\$ 360.00	6-8
Choreo-EL	Choreography Club - EL	Artios Plus	This beginning class will have a base in ballet and may include jazz, modern and Broadway. There will be an emphasis on performing, character, and facial expressions. Students will perform for an event in the Spring.	\$ 360.00	K-5

Choreo-MS	Choreography Club - MS	Artios Plus	<p>This beginning class will have a base in ballet and may include jazz, modern and Broadway. There will be an emphasis on performing, character, and facial expressions. Students will perform for an event in the Spring.</p> <p>Required dance attire:</p> <p>Girls: black high-neck leotard (no low backs), black high-neck tank top over black jazz pants, loose capris or loose gym shorts with long black cotton leggings underneath, black jazz shoes. Hair in high pony tail or bun. No dangly jewelry.</p> <p>Guys: black sweat pants, capris, or gym shorts; black short sleeve t-shirt; black jazz shoes (socks if needed).</p>	\$ 360.00	6-8
DramaEL	Drama Club - Elementary	Artios Plus	<p>This class provides students the opportunity to experience the production of a play in an age-appropriate context. Students will hone their verbal and movement skills, audition for roles, work with scripts, (cont.)</p>	\$ 360.00	K-5

			<p>and become familiar with other aspects of stage production. While reading is a plus, non-readers are welcome in this class; however, memorization will be required.</p> <p>Requirements: Parent participation in one of our Drama Club Parent Committees is required.</p> <p>Production Fee: \$75/per show</p>		
DramaMS	Drama Club - MS	Artios Plus	<p>Students discover and develop their skills and learn how much fun it is to get outside themselves and explore the venue of acting! They will have several opportunities to perform in front of family and friends throughout the year, including taking part in their own show! This class provides students the opportunity to experience the production of a play in an age-appropriate, and God-honoring context. Students will hone their verbal and movement skills, audition for roles, work with scripts, and become familiar with other aspects of stage production. Memorization is required, and students should expect to spend time outside of class rehearsing their lines and blocking.</p>	\$ 360.00	6-8

FilmJr	Film Club - Jr.	Artios Plus	An introductory level class designed specifically for Artios students who are interested in gaining a comprehensive level of the technical and creative aspects that drive creative filmmaking. With hands-on instruction, the students will learn how to shoot, light, and edit their own short digital film.	\$ 360.00	6-8
FilmSr	Film Club - Sr.	Artios Plus	Students interested in the art of film making will enjoy the creativity and group dynamic of our film club and the hands-on experience of writing, shooting, and editing their own stories through film. The BJU Fine Arts Festival in the fall also provides an opportunity for the students to enter a film project for competition if they desire.	\$ 490.00	9-12

Supr	Supervised Study Time - Monday	Artios Plus	Supervised Study time is required for those students who have free periods. One free period is allowed per day without charge, however, more than one free period during the day incurs the tuition. Make sure your child brings schoolwork or quiet games to keep themselves entertained. They will spend time in study hall, as well as some breaks outside. The tuition is per day, not per class period. This charge will be accessed after final class schedules are published. If space allows, there will be both a quiet room for study and a community room for gathering; however, in both cases, students will be required to be seated and noise will be at a minimum.	\$ 175.00	PK-12
Supr	Supervised Study Time -Wednesday	Artios Plus	Supervised Study time is required for those students who have free periods. One free period is allowed per day without charge, however, more than one free period during the day incurs the tuition. Make sure your child brings schoolwork or quiet games to keep themselves entertained. (cont.)	\$ 175.00	PK-12

Art-Pri	Art Lessons - Private	Artios Studios	26, 30-minute lessons with a qualified instructor.	\$ 725.00	6-12
Art-Pri(1)	Art Lessons - Private (1 Hour)	Artios Studios	26, 60-minute lessons with a qualified instructor.	\$ 1,450.00	6-12
Dance-Pri	Dance Lessons- Private	Artios Studios	26, 30-minute lessons with a qualified instructor.	\$ 725.00	6-12
Guitar-Pri	Guitar Lessons- Private	Artios Studios	26, 30-minute lessons with a qualified instructor.	\$ 725.00	6-12

Guita-Spri	Guitar Lessons - Semi - Private	Artios Studios	26, 45-minute lessons with a qualified instructor.	\$ 540.00	6-12
Piano-Pri	Piano Lessons - Private	Artios Studios	Provides one-on-one instruction for students eager to hone their piano skills. The goal is to challenge their understanding of theory, technique, literature and performance based on each student's abilities. Performance opportunities include Studio Recitals and various Artios events. 26, 30-minute lessons with a qualified instructor.	\$ 725.00	K-12
PianoPri1	Piano Lessons - Private (1 Hour)	Artios Studios	Provides one-on-one instruction for students eager to hone their piano skills. The goal is to challenge their understanding of theory, technique, literature and performance based on each student's abilities. Performance opportunities include Studio Recitals and various Artios events. 26, 60-minute lessons with a qualified instructor.	\$ 1,425.00	6-12

Piano-Spri	Piano Lessons – Semi- private	Artios Studios	26, 45-minute lessons with a qualified instructor.	\$ 540.00	K-12
PianoPro	Piano Proficiency Lessons - Group	Artios Studios	60-minute group piano lessons to allow older students to achieve piano proficiency, usually needed to meet Conservatory graduation requirements.	\$ 720.00	9-12
P&W	Praise & Worship Band Studio	Artios Studios	Provides group instruction for students eager to learn Praise and Worship music. This Semi-Private Lesson allows students to grow their individual and collaborative Keyboard, Guitar, Drum and Vocal skills with the goal of being able to perform with a Church or Worship Band. Performance opportunities include Studio Recitals and various Artios events. 26, 45-minute lessons.	\$ 540.00	6-12
Voice-Pri	Voice Lessons - Private	Artios Studios	Several genres of solo vocal music will be pursued as the student learns to sing with good vocal production and musicality. Student will be expected to purchase printed music as requested (cont.)	\$ 725.00	6-12

			<p>by the instructor. Master class, recital performance, and/or competition entries may be required. Consistent at-home practice is a must.</p> <p>Private music instruction consists of 26, 30-minute lessons with a qualified instructor.</p>		
Voice-Spri	Voice Lessons - Semi - Private	Artios Studios	26, 45-minute lessons with a qualified instructor.	\$ 540.00	6-12
ActingII	Acting II	Conservatory	<p>This class will build on the acting skills developed during Intro to Theater. Students will be expected to perform and analyze several scripts throughout the school year. This class will focus on classical texts, specifically Shakespeare, but may introduce texts from the medieval time period through the Baroque. Students will be expected to show proficiency in memorization and body/vocal control before moving from this class on to Advanced Acting. If proficiency is not demonstrated, students may repeat this class.</p> <p>Requirements: Plays will be assigned at the discretion of the teacher. (cont.)</p>	\$ 490.00	9-12

			<p>Students may also be asked to provide scripts or monologues of their choice.</p> <p>Students are required to participate in an arts festival.</p>		
ArtPortSt	Art Porfolio Studio	Conservatory	<p>Seniors will concentrate in a chosen area of fine arts, graphic design or photography, developing their skill level through projects of their own choice and design, under the direction and supervision of the appropriate faculty advisor(s). Guidance and instruction on portfolio development will be emphasized.</p> <p>(Minimum of 1 hour out-of-class work weekly)</p> <p>Requirements: Participate in an Arts festival and at least one art showing.</p>	\$ 490.00	9-12
Chor-HS	Chorale - Sr.	Conservatory	<p>Make beautiful music together in the Artios Senior Chorale. Students learn and practice the basics of music theory while learning and performing a wide variety of musical styles from hymns (cont.)</p>	\$ 490.00	9-12

			<p>and spirituals to Broadway tunes and choral standards. A wide variety of repertoire will be performed. The BJU Fine Arts Festival in the fall also provides an opportunity for the student to compete at the national level. This choir will consist of those able to sight-read, as well as students eager to learn. The choir will compete at the director's discretion.</p> <p>Requirements: Required for Conservatory Music Majors. Students must compete at an Arts Festival and/or competition. Purchase of choir gown/tuxedo is required.</p>		
Choreo-Beg-HS	Choreography Club - Beginning - HS	Conservatory	<p>This beginning class will have a base in ballet and may include jazz, modern and Broadway. There will be an emphasis on performing, character, and facial expressions. Students will perform for an event in the Spring.</p> <p>Required dance attire:</p> <p>Girls: black high-neck leotard (no low backs), black high-neck tank top over black jazz pants, (cont.)</p>	\$ 490.00	9-12

			<p>loose capris or loose gym shorts with long black cotton leggings underneath, black jazz shoes. Hair in high pony tail or bun. No dangly jewelry.</p> <p>Guys: black sweat pants, capris, or gym shorts; black short sleeve t-shirt; black jazz shoes (socks if needed).</p>		
Choreo-Int	Choreography Club - Intermediate	Conservatory	<p>The focus of this class will be placed on theatrical choreography and performance skills at an intermediate/advanced level. Students will prepare showcase choreography and vocals to Broadway songs and perform in the Artios Winter and Spring concerts, as well as compete in CITA (Christians in Theatre Arts) competition in January (\$200 cost). An added class costume fee may apply but will not exceed \$85.00 for three full costumes over the course of the year.</p> <p>This class is open to any Artios MS or HS student by audition. (Returning Choreography Club students do not need to audition.)</p>	\$ 490.00	9-12

			<p>Required dance attire:</p> <p>Girls: black high-neck leotard (no low backs), black high-neck tank top over black jazz pants, loose capris or loose gym shorts with long black cotton leggings underneath, black jazz shoes. Hair in high pony tail or bun. No dangly jewelry.</p> <p>Guys: black sweat pants, capris, or gym shorts; black short sleeve t-shirt; black jazz shoes (socks if needed).</p>		
DirectIntern	Directing Internship	Conservatory	<p>This internship is designed to give the student hands-on experience directing a play. The students will be individually coached to work with other students and direct specific scenes in our elementary and middle school productions. The class will cover text analysis, blocking, scheduling, casting and other skills needed to direct a play. An application and interview process is required for acceptance into this program.</p> <p>Must be enrolled in Drama Club.</p>	\$ 0.00	9-12

DramaHS	Drama Club - HS	Conservatory	<p>Students learn and develop confidence and effective communication skills and discover their inner actor through being a part of our excellent Sr. Drama Club! Students are reminded and given opportunity to give their best to the glory of God and not themselves. Multiple opportunities for performing in both competition and stage arenas.</p> <p>This class provides students the opportunity to experience the production of a play in an age-appropriate, and God-honoring context. Students will hone their verbal and movement skills, audition for roles, work with scripts, and become familiar with other aspects of stage production. Memorization is required, and students should expect to spend time outside of class rehearsing their lines and blocking.</p>	\$ 490.00	9-12
---------	-----------------	--------------	--	-----------	------

DPII	Drawing/Painting II	Conservatory	A continuation of classic studies, focused on raising the skill level of the student in their aesthetic approach and technical abilities in various drawing/painting techniques and materials. Drawing/Painting II will continue to develop the student's understanding and application of the elements & principles of design, employing both replication exercises and direct observation, drawing from still life, landscape, architecture and the human form.	\$ 490.00	9-12
ElemProd	Elements of Production	Conservatory	This class offers an overview of all aspects of technical theater and production management. It covers technical as well as production roles and responsibilities. The students will be introduced to types of technical theatre equipment via photographs, websites, hands-on work and possible fieldtrips. This class will have a lengthy segment on set design, as well as an end-of the year project where students will choose a theatre job and will produce a play with a team. (cont.)	\$ 490.00	9-12

			(The play will not actually be produced; however, the team must complete all the preparation, budgeting and research necessary to produce the show.)		
FundMusic	Fundamentals of Music	Conservatory	<p>This course will cover the basics of musicianship, notation, ear training, written harmony and keyboard harmony. There will be written homework, ear training and keyboard practice. Students study music theory and composition and will be expected to compose and perform (or direct/organize a performance of) their original scores. Students will compose vocal and instrumental pieces. Students may be asked to participate in some aspect of the creative process for the Jr. Drama production.</p> <p>(Total out-of-class work approx. 1 hour/week.)</p> <p>Requirements: Pencils and manuscript paper (also called staff paper)</p>	\$ 490.00	9-12

GraDesI	Graphic Design I	Conservatory	<p>This course focuses on the relationship between image and type and the fundamental elements of page layout. Emphasis will be made on developing the student's conceptual and technical skills, artistic vocabulary and professional presentation, along with the use of a variety of media. Through project-based exercises and group critiques, students will consider layout, combining text and image, concept development and design strategies used by graphic designers to communicate to an audience.</p>	\$ 490.00	9-12
IntCreaWr	Intro to Creative Writing	Conservatory	<p>This class will focus on several types of creative writing in order to present students with a comprehensive view of the writing venues they could potentially pursue. The fields of writing covered in the class include, but are not limited to, fiction, poetry, creative non-fiction, and a study of writing as a form of art.</p> <p>Homework: Approximately 1 hour a week.</p> <p>Requirements: All Literary Arts Majors must take this class.</p> <p>Materials to be provided for students.</p>	\$ 490.00	9-12

MusTheoIIComp	Music Theory II/Composition	Conservatory	<p>This course pursues more advanced topics of music theory, including beginning composition. Students should expect weekly written assignments, as well as ear training and keyboard homework (total out-of-class work is approximately 1 hour/week).</p> <p>Requirements: Pencils and manuscript paper (also called staff paper).</p>	\$ 490.00	9-12
StageMgmtIntern	Stage Management Internship	Conservatory	<p>This internship offers individual coaching and hands-on experience of the application of all aspects of technical theater (lighting, sound, set design, costume and makeup) and production management. It allows for direct coaching and involvement in the technical as well as production roles and responsibilities of one of our Artios productions. The student will be working with different types of technical theatre equipment via hands-on work and possible fieldtrips. Must be enrolled in Drama Club.</p>	\$ 0.00	9-12

StudioMII	Studio M II	Conservatory	Foundational and advanced-level instruction in a selection of media techniques including ceramics, textiles, printmaking and stained glass. This exploration class is suitable for both art and non-art majors and will introduce the student to many areas of creative expression in a variety of functional, decorative, and fine art projects.	\$ 490.00	9-12
Vocal-Men	Vocal Ensemble - Men's	Conservatory	Performing a variety of choral music for men's voices. Requirements: Must be a member of Sr Chorale. Audition only.	\$ 275.00	9-12
Vocal-Women	Vocal Ensemble - Women's	Conservatory	Performing a variety of choral music for women's voices. Requirements: Must be a member of Sr Chorale. Audition only.	\$ 275.00	9-12

WV	Worldview	Conservatory	<p>Students will learn God's Word as the foundation to understanding the world around them. Reading, class discussion, class activities and engaging lectures will help the students to better grasp the core doctrines of the Christian faith and better understand their own beliefs. Students will be expected to read assigned material and to engage in the class conversation by asking questions and responding to other students and the instructor. This course seeks to help high school students better grasp and deepen their faith in Biblical truth in an era of pragmatism, false tolerance and a denial of absolutes.</p> <p>Curriculum: Summit Ministries <i>Understanding the Times Series.</i></p> <p>Requirements: Purchase of book and/or materials may be required.</p>	\$ 360.00	9-12
----	-----------	--------------	--	-----------	------

Alg1	Algebra I	Preparatory	Using the <i>Teaching Textbook</i> curriculum, combined with a personalized approach to math progress, suggested real life activities and projects, and individualized tutoring, students will complete all necessary requirements for Algebra I as prescribed by the local standards. This class covers fractions, decimals, exponents, and roots. Students learn to apply algebraic problem-solving techniques to a variety of equations. Basic coordinate graphing is introduced.	\$ 490.00	9-12
Alg2	Algebra II	Preparatory	<i>Teaching Textbooks</i> - This class covers advanced equations involving fractions, exponents, roots and polynomials. Students also learn graphing lines, parabolas and conic.	\$ 490.00	9-12

Anat	Anatomy	Preparatory	<p>This is our advanced biology course. Combined with <i>Exploring Creation With Biology</i>, it gives the student the equivalent of a university biology course. In order to take this course, the student MUST have completed a first-year biology course. This course covers both the anatomy and the physiology of the human body's 11 organ systems in detail.</p> <p>Requirements: <i>Apologia Advanced Biology: The Human Body</i>, along with the Anatomy coloring book</p>	\$ 490.00	9-12
Biology	Biology	Preparatory	<p>Biology is one of the most exciting topics of study. In this class students will get to see the detail and magnitude of God's creation. From the microscopic to the macroscopic, all of creation sings His name. Some specific topics covered in this class include: the study of life (including DNA), each kingdom in biological classification, the cell, cellular reproduction, Mendelian Genetics, and ecology. Dissection will also be an important part of this class. Students will keep a lab notebook.</p> <p>Requirements: <i>Apologia Biology Textbook</i></p>	\$ 490.00	9-12

Chem	Chemistry	Preparatory	<p>This course is designed to build a foundation in Chemistry concepts that prepares the student for college-level Chemistry. The course covers the mole concept, stoichiometry, thermochemistry, thermodynamics, kinetics, acids and bases, redox reactions, solutions, atomic structure, Lewis structures, molecular geometry, the gas laws, equilibrium as well as other topics. An additional lab day once a quarter will be required.</p> <p>Requirements: Textbook: <i>Apologia Chemistry</i></p>	\$ 490.00	9-12
FrenchII	French II	Preparatory	<p>French 2 strengthens students comprehension of the spoken and written language. Students learn how to respond in real-life situations while expanding their vocabulary and improving their reading skills. They increase freedom of expression through oral and reading comprehension exercises based on excerpts from great French literary works. Grammar exercises focus on reflexive verbs, direct and indirect pronouns, subjunctive mood,</p> <p>(cont.)</p>	\$ 490.00	9-12

			and preterit, imperfect, conditional, and past-perfect tenses. Students learn about the many French-speaking lands around the world. Supplements include songs, verses, and video clips. The instructor presents material in both English and French.		
GenSci	General Science	Preparatory	This course is designed to be a student's first systematic introduction to the sciences. The course covers such topics as the scientific method, designing experiments, simple machines, archaeology, geology, paleontology, biology, and human anatomy and physiology. The class will include a science fair project. Requirements: Textbook: <i>Apologia</i>	\$ 490.00	6-8
Geom	Geometry	Preparatory	Using the <i>Teaching Textbook</i> curriculum, combined with a personalized approach to math progress, suggested real-life activities and projects, and individualized tutoring, students will complete all necessary requirements for Geometry as prescribed by the local standards. (cont.)	\$ 490.00	9-12

			<p>We use <i>Geometry: A Teaching Textbook First Edition</i>, which has accompanying DVDs for the students. Topics covered include Lines and Angles, Parallel Lines, Triangles, Congruent Triangles, Similar Triangles, Quadrilaterals, Polygons, Circles, Area, and Solid Geometry. Students are expected to do approximately 4 lessons per week; a test about every two weeks; a mid-term; and final in class. The DVDs have EVERY problem worked out in detail, so if a particular problem isn't solved during class, the student still can see exactly how to solve it.</p> <p>Requirements: <i>Teaching Textbook</i></p>

Hist-HS	History - HS	Preparatory	<p>You are about to embark on a journey! Depending on what time period you are studying with us, you will either be journeying through the Ancient Time Period (Creation through the Fall of Rome), the Medieval-Renaissance Time Period (Fall of Rome to 1650), Early Modern Time Period (1650-1850), or the Modern Time Period (1850-present).</p> <p>This year is the Modern time period. As you are introduced to each time period, you will be encouraged to view history as HIStory. We will not only chronologically travel through history; the flow of people and events; we will devote purposeful attention to the unfolding of history through a Biblical worldview lens, revealing what happened and why. We will explore our study from a hands-on approach while we use many original source documents included in the <i>Artios Home Companion Text</i>.</p> <p>Requirements: Textbook: <i>Artios Home Companion Series</i></p>	\$ 490.00	9-12

We will explore our study from a hands-on approach while we use many original source documents included in the <i>Artios Home Companion Text</i>.</p> <p>Requirements: Textbook: <i>Artios Home Companion Series</i></p>	\$ 490.00	6-8
---------	--------------	-------------	--	-----------	-----

Hist-UEL	History - Upper Elementary	Preparatory	<p>History allows the student to go in depth into the historical figures and events of the time period. Students will experience, through multiple intelligence opportunities, history in a smaller setting. They will examine and investigate the biographies of influential people from the time period. They will take part in projects that are time period appropriate. Through essays, projects and research reports, students will share their knowledge with classmates.</p> <p>Requirements: Textbook: <i>Artios Home Companion Series</i></p>	\$ 360.00	4-6
LifeStudy-HS	Life & Study Skills - HS	Preparatory	<p>Students learn the skills needed to successfully navigate their lives and develop to their fullest potential. This class gives students the tools and support they need to communicate more effectively, make informed decisions, set and achieve goals, study effectively, problem solve, resolve conflict, and develop time management.</p>	\$ 490.00	9-12

LifeStudy-MS	Life & Study Skills - MS	Preparatory	Students learn the skills needed to successfully navigate their lives and develop to their fullest potential. This class gives students the tools and support they need to communicate more effectively, make informed decisions, set and achieve goals, study effectively, problem solve, resolve conflict, and develop time management.	\$ 490.00	6-8
Math-UEL	Math - Upper Elementary	Preparatory	This course is designed to give students a firm foundation in basic arithmetic skills, as well as introducing them to fractions, decimals, percentages, simple geometry and other higher-level math concepts. We will be using <i>Teaching Textbooks</i> as our math program.	\$ 360.00	4-6

Pre-Alg	Pre-Algebra	Preparatory	Using the <i>Teaching Textbook</i> curriculum combined with a personalized approach to math progress, suggested real life activities and projects, and individualized tutoring, students will complete all necessary requirements for Pre-Algebra as prescribed by the local standards. This class covers whole numbers, fractions, decimals, beginning algebraic problems and negative numbers. Students are also working with length, area, and volume in measurement. Fractions will be covered in depth.	\$ 490.00	7-8
Sci-MS	Science - MS	Preparatory	This course is designed to be a student's first systematic introduction to the sciences. The course covers such topics as the scientific method, designing experiments, simple machines, archaeology, geology, paleontology, biology, and human anatomy and physiology. The class will include a science fair project. For a more detailed course overview, please download the corresponding class overview document.	\$ 490.00	6-8

Sci-UEL	Science - UE	Preparatory	<p>This course will introduce scientific concepts guided by the history period. For the Modern Period of history, we will study scientific advances made in the 1800s-1900s. A wide range of topics will be studied including medicine, human physiology, cell biology, chemistry, geology, electricity, magnetism, heat, light waves, sound waves, radioactivity, and conservation laws. Students will learn about the science that was being discovered at the time, as well as the lives and personal beliefs of those who were discovering it.</p>	\$ 360.00	4-6
SmSt3-4	SmartStart 3-4	Preparatory	<p>Subjects included: Language Arts, Science, History, Math, and PE. These grade levels are not available for A La Carte class selections. The Artios SmartStart program is designed to provide students in the 3rd and 4th grades a developmentally-appropriate approach to academics, while focusing on the whole heart and unique individuality of each student. Instruction in this multi-age classroom will take place through a combination of large groups, small groups, and individual (cont.)</p>	\$ 995.00	3-4

			<p>instruction, and the subjects of Language Arts, History, Science, Math, and Physical Education will all be taught throughout the class day in an integrated fashion.</p> <p>Students will be immersed in our historical time period; for the 2018-2019 school year we will be exploring the Modern time period. The physical space of the classroom will include multiple learning stations, with areas such as writing labs, science centers, level-targeted math centers, creativity-based stations, collaborative centers, and many more. Weekly integrated assignments will be provided for parents as a springboard for their learning at home.</p>

STEAM-LE	STEAM - Lower Elementary	Preparatory	STEAM is a way to take the benefits of STEM and complete the package by integrating these principles in and through the arts. STEAM takes STEM to the next level. It allows students to connect their learning in these critical areas (science, technology, engineering & math) with arts practices, elements, design principles and standards to provide the whole pallet of learning at their disposal. STEAM removes limitations and replaces them with wonder, critique, inquiry and innovation.	\$ 360.00	K-4
STEAM-MS	STEAM - MS	Preparatory	STEAM is a way to take the benefits of STEM and complete the package by integrating these principles in and through the arts. STEAM takes STEM to the next level. It allows students to connect their learning in these critical areas (science, technology, engineering & math) with arts practices, elements, design principles and standards to provide the whole pallet of learning at their disposal. STEAM removes limitations and replaces them with wonder, critique, inquiry and innovation.	\$ 490.00	6-8

STEAM-UE	STEAM - Upper Elementary	Preparatory	STEAM is a way to take the benefits of STEM and complete the package by integrating these principles in and through the arts. STEAM takes STEM to the next level. It allows students to connect their learning in these critical areas (science, technology, engineering & math) with arts practices, elements, design principles and standards to provide the whole pallet of learning at their disposal. STEAM removes limitations and replaces them with wonder, critique, inquiry and innovation.	\$ 360.00	4-6
WritMech-HS	Writing & Mechanics - HS	Preparatory	This class is designed for high school students who need a better foundation in grammar and writing skills. It works hand in hand with our literature and history classes and at times will draw on some of the same topics being covered in those classes by assigning writing that ties to those topics. (Enrollment in at least one of those classes is suggested but not mandatory.) This class equips high school students to be successful in the process of writing clear, concise, and effective letters, essays, and papers. Organizing papers for the most powerful effect, the art of consolidation, (cont.)	\$ 490.00	9-12

			developing the best flow of ideas, documenting sources and so much more enable the student to become successful in high school writing and move to successful college-level writing.		
WritMech-MS	Writing & Mechanics - MS	Preparatory	This class is specifically formatted for middle school students who need a firm foundation in grammar and writing skills. It works hand in hand with our literature and history classes and at times will draw on some of the same topics being covered in those classes by assigning writing that ties to those topics. (Enrollment in at least one of those classes is suggested but not mandatory.) Students taking this class will gain a firm grasp of grammar and writing elements necessary for success in high school. Simple lessons and systematic practice guide the students to construct paragraphs effectively (classification, definition, analogy, and comparison), build various types of essays (5 paragraph, book reports), and eventually write papers up to 1,000 words in length.	\$ 490.00	6-8
