

Course Descriptions
Artios Academies of San Antonio

<u>Department</u>	<u>Course</u>	<u>Title</u>	<u>Credits</u>	<u>Description</u>	<u>Tuition</u>	<u>Grade Levels</u>
Academy	Acad2.0	Academy of Arts and History	0.5	The Artios Academy of Arts and History offers five core courses (History, Literature/Composition, Art, Music, and Theater) within its weekly class day for students in K-12th grades. All five courses are integrated with each other by historical time period. We teach these subjects in their entirety, which allows students not only to have knowledge of facts but also to have knowledge of the principles and purpose of the subject. All five subjects are taught in a hands-on, creative, and integrative way, all while being taught from a Biblical worldview.	\$1,095	K-12
Artios Plus	ATT	All Things Techie	0.5	Lights, cameras, action! Students will learn the ropes behind the scenes of a drama production lighting, sound and film and then put it practice during our school productions.	\$350.00	7-12

Artios Plus	Chor	Choir	0.5	Students will learn a wide variety of repertoire. Basic vocal and choral skills will be taught and performance techniques learned. They will sing a variety of music and have opportunities to perform throughout the year.	\$350.00	4-12
Artios Plus	Dance-MSHS	Dance - MS/HS	0.5	Students study the discipline and art of classical ballet and modern dance with worship dance included. This course will use the curriculum "Dance Through the Bible". Students will learn basic concepts of dance, then use those concepts to choreograph and memorize Scripture!	\$350.00	7-12
Artios Plus	DramaAll	Drama Club	0.5	Students discover and develop their skills and learn how much fun it is to get outside themselves and explore the venue of acting! This class provides students the opportunity to experience the production of a play in a God-honoring context. Students will hone their verbal and movement skills, audition for roles, work with scripts, and become	\$350.00	K-12

				<p>familiar with other aspects of stage production. Memorization is required, and students should expect to spend time outside of class rehearsing their lines and blocking.</p> <p>*Requirements: Parent participation in our Drama Club Parent Committees is required. We have lots of roles and we will help you find the right fit!</p>		
Artios Plus	PhotoClub	Photography Club	0.5	<p>Explore the world through the lens of a camera and discover the wonder that awaits! Students will learn and practice what makes a strong photograph, including various lighting and editing techniques, all while having fun with their cameras.</p> <p>Requirements: Access to a digital camera.</p>	\$350.00	6-12
Artios Plus	YB	Yearbook Club	0.5	<p>Middle and high school students are invited to participate in a yearbook club. The students would be responsible for the layout and design and for gathering and</p>	\$350.00	7-12

				<p>taking photos of school events. Each student who participates will receive a yearbook. This will truly be a student created yearbook, with guidance and supervision from Mrs. King.</p>		
Artios Plus	CostDes	Costume Design	0.5	<p>Costume design is an important part of any theatrical or film production. This class will teach you about costume themes, designing costumes, following the lead of the director, creativity with the use of various materials, costuming on a budget, and thinking outside the box. Students in this class will learn to design, sew, and craft costumes and minor props for the upcoming Artios productions. From the first meeting with the director to the costume plot to the costume design, all the way to the finished production - these students will be an integral part of the shows.</p>	\$350.00	6-12

Artios Plus	GW-Journ	General Workshop/Journalism	0.5	This class will serve as the school newspaper. Students will act as the newspaper staff, writing, selecting, and editing submissions to be published in the regularly scheduled editions of the paper. Students will learn advanced journalism techniques and will learn to work as a team to find articles and other newsworthy items to include in the paper, as well as to get the paper published and distributed on time.	\$350.00	9-12
Artios Plus	WV	Worldview	0.25	High School students will learn God's Word as the foundation to understanding the world around them. Reading, class discussion, scripture memorization and engaging lectures will help the students to better grasp the core doctrines of the Christian faith and better understand their own beliefs. Students will be expected to read assigned material and to engage in the class conversation by asking questions and responding to other students and the instructor. This course	\$125.00	9-12

				<p>seeks to help High School students better grasp and deepen their faith in Biblical truth in an era of pragmatism, false tolerance and a denial of absolutes.</p> <p>Curriculum: Summit Ministries Understanding the Faith Series</p> <p>Requirements: Purchase of book and/or materials may be required.</p>		
Artios Plus	Alg2	Algebra II	0.5	<p>Teaching Textbooks - This class covers advanced equations involving fractions, exponents, roots and polynomials. Students also learn graphing lines, parabolas and conic.</p>	\$350.00	9-12
Artios Plus	Alg1	Algebra I	0.5	<p>Using the Teaching Textbook curriculum combined with a personalized approach to math progress, students will complete all necessary requirements for Algebra I.</p>	\$350.00	9-12

Artios Plus	Biology	Biology	0.5	<p>Biology is one of the most exciting topics of study. In this class students will get to see the detail and magnitude of God's creation. From the microscopic to the macroscopic, all of creation sings His name. Some specific topics covered in this class include: the study of life (including DNA), each kingdom in biological classification, the cell, cellular reproduction, Mendelian Genetics, and ecology. Dissection will also be an important part of this class. Students will keep a lab notebook.</p> <p>Requirements: Apologia Biology Textbook</p>	\$350.00	9-12
Artios Plus	Chem	Chemistry	0.5	<p>This course is designed to build a foundation in Chemistry concepts that prepares the student for college-level Chemistry. The course covers the mole concept, stoichiometry, thermochemistry, thermodynamics, kinetics, acids and bases, redox reactions, solutions, atomic</p>	\$350.00	9-12

				<p>structure, Lewis structures, molecular geometry, the gas laws, equilibrium as well as other topics. An additional lab day once a quarter will be required.</p> <p>Requirements: Textbook: Apologia Chemistry *Algebra 1 is a prerequisite for this class.</p>		
Artios Plus	GenSci	General Science	0.5	<p>This course is designed to be a student's first systematic introduction to the sciences. The course covers such topics as the scientific method, designing experiments, simple machines, archaeology, geology, paleontology, biology, and human anatomy and physiology. The class will include a science fair project.</p> <p>Requirements: Textbook: Apologia</p>	\$350.00	7-8

Artios Plus	Geom	Geometry	0.5	<p>Using the Teaching Textbook curriculum, combined with a personalized approach to math progress, suggested real-life activities and projects, and individualized tutoring, students will complete all necessary requirements for Geometry. We use Geometry: A Teaching Textbook. Students are expected to do approximately 4 lessons per week; a test about every two weeks; a mid-term; and final in class.</p>	\$350.00	9-12
Artios Plus	Govt-Econ	Government and Economics	1.0	<p>Government and Economics will be broken up by semester. The first semester will cover Government, and the second semester will cover Economics. During the first semester, students will come to understand how the United States government and local government operates, and what a Christian's role and worldview of government should be.</p> <p>During the second semester, students will come to understand the basics of</p>	\$350.00	9-12

				<p>economics, including supply and demand, monetary and fiscal policy, pricing policy of firms, GDP, inflation, unemployment, and other key economic concepts. This class will be worth 1 credit - the first half of the year will cover Government and will be worth .5 credit - the second half of the year will cover Economics and will also be worth .5 credit.</p> <p>Requirements: Government and Economics by Ray Notgrass</p>		
Artios Plus	Health-PE	Health	0.5	<p>This class will be using the BJU Press Health Curriculum. We will spend class time discussing the Health curriculum and learning to be good stewards of the health the Lord has given us. This is a .5 credit course.</p>	\$350.00	8-12

Artios Plus	Math-LEL	Math - Lower Elementary	0.5	Artios parents will have the option of choosing the level of math competence for their student. Math facts and drills are important for anyone studying math. A focus is placed on these skills, as well as the daily lessons. The instructors of the math classes provide alternative methods to solving mathematical problems. Artios Preparatory employs the use of Math U <i>Seein</i> for 1st and 2nd grades and Teaching Textbooks in 3rd grade.	\$350.00	1-3
Artios Plus	Math-MS	Math - MS	0.5	This is a class for upper-level middle school students to work through Math concepts presented at that level.	\$350.00	6-7
Artios Plus	Math-UEL	Math - Upper Elementary	0.5	This course is designed to give students a firm foundation in basic arithmetic skills as well as introducing them to fractions, decimals, percentages, simple geometry and other higher-level math concepts. We will be using Teaching Textbooks as our math program.	\$350.00	4-5

Artios Plus	Phys	Physics	0.5	We will be using Exploring Creation with Physics by Apologia. This is a college-prep physics course and is designed for the student who has completed Algebra 1 and Geometry and has had an introduction to the definitions of sine, cosine, and tangent. It provides a detailed introduction to the methods and concepts of general physics, heavily emphasizing vector analysis. This class has a minimum enrollment requirement.	\$350.00	9-12
Artios Plus	PhySci	Physical Science	0.5	This course will be covering topics such as atmosphere, the hydrosphere, the Earth and the lithosphere, weather, Newton's Laws of Motion, sound, light and forces in creation. Students will maintain a lab notebook documenting the labs performed throughout the course. Requirements: Apologia Physical Science Textbook	\$350.00	7-9
Artios Plus	Pre-Alg	Pre-Algebra	0.5	Using the Teaching Textbook curriculum combined with a personalized approach to math progress, and individualized	\$350.00	6-8

				tutoring, students will complete all necessary requirements for Pre-Algebra. This class uses Teaching Textbooks.		
Artios Plus	SpanI	Spanish I	0.5	This high school level Spanish 1 class uses the curriculum Spanish is Fun to delve into the wonderful world of Spanish!	\$350.00	8-12
Artios Plus	SpanII	Spanish II	0.5	This high school class uses the curriculum Spanish is Fun 2 to go deeper into the Spanish language.	\$350.00	8-12
Artios Plus	ArtClubEL	Art Club Elementary		Students will explore a wide variety of art techniques and mediums while studying with our excellent art instructors.	\$350.00	3-6
Artios Plus	ArtClubMS HS	Art Club Middle School/High School		Students explore and deepen their skills in Sr. Art Club. Study various art mediums, along with the basic skills, and learn from our talented and gifted teachers.	\$350.00	7-12

Artios Plus	CostDes	Costume Design		<p>Costume design is an important part of any theatrical or film production. This class will teach you about costume themes, designing costumes, following the lead of the director, creativity with the use of various materials, costuming on a budget, and thinking outside the box. Students in this class will learn to design, sew, and craft costumes and minor props for the upcoming Artios productions. From the first meeting with the director, to the costume plot, to the costume design, all the way to the finished production - these students will be an integral part of the shows.</p> <p>*The first half of this class will be learning the basics of sewing.</p>	\$350.00	6-12
Artios Plus	DanceBeg	Dance - Beginner		<p>Students study the discipline and art of classical ballet and modern dance with worship dance included. This course will use the curriculum Dance Through the</p>	\$350.00	1-6

				Bible. Students will learn basic concepts of dance, then use those concepts to choreograph and memorize Scripture!		
Artios Plus	Sc-E	Science- Zoology 1 Swimming Creatures		This course will take our 2nd - 4th grade students on a delightful exploration of the swimming creatures of God's world!	\$350.00	2-4
Artios Plus	Sci - UEL	Science - Upper Elementary Human Anatomy		This course is a higher level than the Zoology class. This class is geared for older elementary and 7th graders that are not quite prepared for the more rigorous General Science class.	\$350.00	5-8
Artios Studios	Guita-Spri	Guitar Lessons - Semi - Private	0.5	45-minute group class. 25 classes per year.	\$500.00	6-12
Artios Studios	Guitar-Pri	Guitar Lessons - Private	0.5	Private music instruction consists of 30-minute lessons with a qualified instructor. 25 lessons per year.	\$625.00	4-12

Artios Studios	P&W	Praise & Worship Band Studio	0.5	<p>Provides group instruction for students eager to learn Praise and Worship music. This Semi-Private Lesson allows students to grow their individual and collaborative Keyboard, Guitar, Drum and Vocal skills with the goal of being able to perform with a Church or Worship Band. Performance opportunities include Studio Recitals and various Artios Events.</p> <p>Expectation: (26) 45-minute Lessons Studio Lesson Assigned</p> <p>Explanation: Once each family has completed registration, the Studio Director will have a completed Studio Student List. In the assigning of a teacher there are several factors:</p> <p>*Returning Students aim to stay with their Returning Teacher</p> <p>*Returning Students aim to switch to their Preferred Teacher</p>	\$350.00	
----------------	-----	------------------------------	-----	---	----------	--

				<p>*New Students aim to be placed with Preferred Teacher</p> <p>*Remaining Students placed with available Teacher</p> <p>*The Student and Teacher Schedule MUST line up in order for the preference to be honored. Studios begin officially the Third week of classes, and the schedule is finalized the Fourth week of classes.</p>		
Artios Studios	Perc-Pri	Percussion Lessons - Private	0.5	Private music instruction consists of 30-minute lessons with a qualified instructor. 25 lessons for the year.	\$625.00	6-12
Artios Studios	Perc-Spri	Percussion Lessons - Semi-Private	0.5	45-minute lessons with a qualified instructor. 25 lessons for the year. This is a group class environment.	\$500.00	6-12
Artios Studios	Piano-Beg	Piano Beginner Lessons-Group	0.5	60-minute group lessons for three or more beginner piano students.	\$500.00	1-12

Artios Studios	Piano-Pri	Piano Lessons - Private	0.5	Private music instruction consists of 30-minute lessons with a qualified instructor. 25 lessons per school year.	\$625.00	1-12
Artios Studios	Piano-Spri	Piano Lessons - Semi-private	0.5	45-minute lessons with a qualified instructor in a classroom environment.	\$500.00	1-12
Artios Studios	Voice-Pri	Voice Lessons - Private	0.5	Several genres of solo vocal music will be pursued as the student learns to sing with good vocal production and musicality. 30-minute private lesson will be scheduled at a time that works with the student and teachers schedule. Student will be expected to purchase printed music as requested by the instructor. For high school, recital performance, and/or competition entries may be required. Consistent at-home practice is a must. Private music instruction consists of (25) 30-minute lessons with a qualified instructor.	\$625.00	6-12
