## **Artios Study Time**

Supr	Supervised Study Time Monday	Artios Plus	<p>Supervised Study time is required for those students who have free periods. One free period is allowed per day without charge, however, more than one free period during the day incurs the tuition. <u>Study hall is only available between a student's 1st &amp; last class of the day unless a sibling has an earlier or later class.</u> Make sure your child brings schoolwork or quiet games to keep themselves entertained. They will spend time in study hall, as well as some breaks outside. The tuition is per day, not per class period. This charge will be accessed after final class schedules are published. If space allows, there will be both a quiet room for study and a community room for gathering; however, in both cases, students will be required to be seated and noise will be at a minimum.</p>	\$ 175.00	PK-12
